# metrofest 07

## Welcome to the 2007 MetroFest Calendar of Outdoor Festivals and Events!

I am proud to be Mayor of a city where it's possible to experience such an incredible variety of events, festivals and live entertainment ranging from the traditional to the brand new.

In fact, this year's guide contains more than 40 new events ranging from the excitement of 4th Street Live! downtown to the beautifully renovated Iroquois Amphitheatre – where you can enjoy plays and live music under the stars.

There is so much to do in our hometown – and the variety of settings is as diverse as the list of activities. From Jeffersontown to Portland and South Louisville to Old Louisville there are unique festivals and celebrations throughout the community. Whether it's live music by the river at Waterfront Wednesdays, our WorldFest celebration of diverse cultures or the "trolley hops" that provide a unique way to explore Louisville's thriving arts community.

Our focus on the outdoors this year includes improvements to our nationally-recognized Metro Parks system, continued expansion of award-winning Waterfront Park, and enhanced bike and walking trails throughout the community. Our summer-long Music in the Metro series will return along with significant new events that will draw people from around the nation to Louisville – including the National Senior Games and the Ironman competitions.

Louisville Metro is excited to have outstanding partners who make the MetroFest Calendar available throughout the community. Look for the MetroFest Calendar in the March issue of *Louisville Magazine* and at all Thornton's QuickCafe & Market locations in the Louisville area. We hope you will keep it handy and refer to it often as you plan your evenings, weekends, family visits, and get-togethers with friends.

For an even more comprehensive and up-to-date list of local outdoor and indoor events, visit the online events calendar at our city website: [LouisvilleKy.gov](http://LouisvilleKy.gov).

Sincerely,

Jerry E. Abramson  
Mayor
